

Winter 2024

# CALCAREOUS

— V I N E Y A R D —

The 2024 harvest is complete and I am proud to announce that it appears to be another exceptional vintage. I look forward to sharing the fruits of this harvest with you in the upcoming years. 2024 has included many highlights and a first for us. From our club-exclusive trip to the Rhône region of France to welcoming more visitors than ever to our hilltop during harvest, it's truly been a year to remember.

One of our proudest achievements was receiving a 95-point score from Wine Spectator for our 2022 Très Violet, placing it in the highest tier of their prestigious rating system. This recognition, categorized as "Classic: A great wine," marks our best score yet. I've also highlighted for you other recent accolades we're equally proud to have received, testaments to the unique expression of our Calcareous soil and the exceptional skill of our winemaker, Jason Joyce.

Looking ahead, we're thrilled to be celebrating our 25th anniversary in 2025. Transforming our land into vineyards has been an incredible journey, and we can't wait to honor the hard work that has shaped Calcareous into the winery you know today. We hope you'll plan to be part of it.

Until then, I wish you and your family a joyful holiday season. Cheers to another fantastic year!

### 2023 Estate Chardonnay

A pale golden straw color with pear pastry and white peach aromas. Rich upfront honeydew melon and candied ginger are balanced by more citrusy notes and just a hint of wet chalk. Subtle integrated oak from puncheon aging creates a complex profile well into the clean finish that's bright enough to pair with seafood or pasta, but with ample mid-palate richness for grilled pork.

Retail: \$42  
Limestone: \$35.70  
Connoisseur: \$33.60  
Sommelier: \$31.50

### 2022 York Mountain Cabernet Sauvignon

Byzantium hues indicate a fully ripe Cabernet. A bouquet of currants and plum balance earthy notes of garrigue and leather. Blackberry jam, chelan cherry and white pepper combine to form a perfect upfront palate. Immense rounded tannins fill the mid-palate, supplying hints of black licorice, with new French oak adding a subtle toasted richness to a long finish. Will complex in the bottle beautifully for 13-16 years.

Retail: \$60  
Limestone: \$51.00  
Connoisseur: \$48.00  
Sommelier: \$45.00

### 2022 Lloyd

42% Cab Franc, 31% Merlot, 14% Malbec, 9% Cabernet Sauvignon, 4% Petit Verdot

Deep purple color demonstrates a deeply extracted wine. Up front the complex palate is full of dark currants, black cherries and rich tannins. A beautiful core acidity keeps the many moving parts centered and allows this full-bodied wine to express freshness and vibrancy. A pitch perfect wine for eggplant parmesan, it should age gracefully for the next for 14-16 years.

Retail: \$65  
Limestone: \$55.25  
Connoisseur: \$52.00  
Sommelier: \$48.75

### 2022 Devil's Canyon Syrah

Beautifully rich purple in color, this wine embodies the weight and depth that our Estate is capable of producing. Upfront massive blueberry, pomegranate, and cacao combine with fine grained tannins, creating an expressive Syrah. Toasted oak notes showcase wonderful acidity, creating perfect lingering flavors just begging for braised spareribs. This is a wine worthy of the cellar for another 12-15 years.

Retail: \$75  
Limestone: \$63.75  
Connoisseur: \$60.00  
Sommelier: \$56.25

### Club Members Explore the Rhône Valley

Jason and I hosted a trip to the Rhône region of France in May. This 10 day adventure, offered exclusively to wine club members, explored the similarities between the Rhône's iconic winemaking region and our own. We had the opportunity to experience over 10 different wineries hand selected by Jason. This shared experience allowed us all to further our wine knowledge and forge new friendships. Thank you to everyone who joined us! —Dana

### Harvest 2024 Success!

Jason and his team had fun hosting free harvest tours for members who visited during Paso's Harvest Wine Month this October. Our sincere thanks to all of you who made a point to come up, check it out, and be a part of our 2024 vintage. All the hard work is so much more rewarding when shared with our club members!
